2. Minutes – no minutes.
3. Time Capsule – Holly brought measurements and discovered it was smaller than anticipated so we might have to reduce the items we put in time capsule. Also Committee decided the time capsule should be opened in 50 years instead of 100. It was decided that John Dalton being the youngest and potentially the only Committee member that might be present should be on that Committee in 2067.
4. Closing Ceremony – Discussion on the timeline of events for the afternoon of December 18th. We anticipate starting around 3:30 with a lowering of the Centennial Flag, burial of time capsule, light refreshments and a PowerPoint presentation to the Board of County Commissioners from the past year.
5. Paddle Flagler at Bulow – No decision yet.
6. Parades – It was voted to spend \$400 on 1000 glow sticks and 500 bubbles to hand out to the children. Also the float will need lighting for the Starlight Parade so the Committee voted to spend up to \$300 on lighting. After the parade the Committee mentioned that maybe the library could use the lighting for their annual Festival of Trees.
7. Revenge of the Creature – reminder on date and time.
8. Creekside Festival - postponed until weekend of November 11th.
9. Public Comments – None
10. Other Committee Comments:
 - a. Carl mentioned that the new Centennial Flag was ordered. Our old flag was ruined during Hurricane Irma.
 - b. Art – reminded committee about Founder's Day Celebration and handed out informational flyer.
