11. Public Comments:
 - a. Dave Bowers from the Photography Club would like to put 36 images instead of 24 into Time Capsule and would also like to document on back of photos as to who, what, where, and when. He will provide 100 photos and it will be the responsibility of the Committee to cull down to 36.
 - b. Joyce Wallace wanted to speak to the Committee about supporting the Cattlemen and their proposal for the History of the Cattleman to be documented and preserved. There was a motion to endorse the effort. Passed unanimously. It was decided that Carl Laundrie would write a letter in support of this effort.

12. Other Committee Comments:

- a. Julie Murphy reminded the committee that Freedom Fest is scheduled for weekend of November 4th at the Airport. There was a discussion about participating and selling t-shirts and hats.
- b. Art Dycke reminded the committee about the upcoming Founder's Day Celebration on October 29, 2017 in Holland Park.
