

2010 SHORT & SWEET HORTICULTURE PROGRAM SERIES

**Mondays starting
2/15/10– 3/15/10
10 am–12 noon**

Directions from Bunnell area and south of Hwy. 100: Head north of Bunnell on U.S. Hwy. 1 to C.R.13 (Espanola) . Turn left. Go 8/10ths mile to Sawgrass Road. Just past baseball fields, turn right. The Extension Service is the blue building on the right.

Directions from Palm Coast Pkwy area:

Head south on US Hwy. 1 to C.R. 13 (Espanola). Turn right. Go 8/10ths mile to Sawgrass Road. Just past baseball fields, turn right. The Extension Service is the blue building on the right.

Please call or e-mail to register for classes.

2/15/10– From Frost to Flower
(get your frost-bitten landscape back in shape for spring)

2/22/10– Growing Citrus
(varieties for Flagler County, planting, proper maintenance, diagnosing and managing problems)

3/1/10 – Edible Landscaping
(learn how to grow your own vegetables, fruits and herbs and incorporate them into the landscape)

The “Short” 2 hour programs will cover how to clean up your freeze damaged landscape after the cold, lawn care, vegetable gardening, edible landscaping, growing citrus, roses and palms! All programs incorporate Florida Friendly Landscaping practices.

The “Sweet” refreshments and goodies prepared by our Master Gardener Volunteers, will be offered during each program for you to enjoy!

We will also have our “Survival Guide to Gardening in Flagler County and Elsewhere in Zone 9” book available for sale at each program.

3/8/10– Lawn Care
(establish, care & maintain you Florida lawn)

3/15/10– Roses and Palms in the Landscape
(learn what varieties grow well in Flagler County and how to properly care for them)

There is no cost to attend these programs! Call or e-mail us to register.
