FDOT holds public meeting about permanent S.R. A1A repair

December 7, 2016 – The Florida Department of Transportation is conducting a public meeting to discuss permanent repair solutions for State Road A1A.

The meeting will be held from 2:30 to 6:30 p.m. on Thursday, December 15, at the Flagler Beach City Hall, 105 S. 2nd Street. It will be an open-house style meeting with a video presentation that will loop.

“This is FDOT’s official kick-off of the process to develop a permanent solution for State Road A1A,” County Administrator Craig Coffey said.

The Florida Department of Transportation will conduct a feasibility study for the roadway between South 28th Street south to Osprey Drive. This study will include the temporary improvements that are already in place, and will build a list of options to permanently repair the road.
