Elected officials hold town hall meeting August 22

August 14, 2017 – Commissioner Greg Hansen, School Board member Janet McDonald and Sheriff Rick Staly will meet with residents from 6:30 to 8 p.m. August 22 at the Portuguese American Cultural Center.

“I will provide a brief update on the dunes, as that’s the pressing issue that everyone is concerned about,” Hansen said. “Of course, we hope people will ask questions so we can find out what’s on their mind.”

Staly intends to provide a general update on the Sheriff’s Office since he took office in January in addition to fielding questions.

“I’ll provide updates on what is new this year in Flagler Schools and take questions or suggestions for making our schools better every day,” McDonald said.

The Portuguese American Cultural Center is located at 1200 Palm Harbor Parkway, Palm Coast.
