Flagler County Library invites displaced Flagler Beach residents to use county facilities

September 28, 2017 – Flagler County Library is making it easier to use its computers and check out materials for residents of Flagler Beach as they continue to restore their lives, homes, library and city in the aftermath of Hurricane Irma.

County Library staff will have a table at the Assistance Center from 9 a.m. to 4 p.m. Friday and Saturday, located at the Wickline Center – 800 S. Daytona Avenue, Flagler Beach, to get them in the Flagler County Library system.

“We want to do everything we can to help Flagler Beach residents during this very difficult time,” said Library Director Holly Albanese. “All of our computers, books and other resources are available to all county residents.”

Lost or damaged library cards will be replaced free of charge for Flagler Beach residents for a period of six months. Additionally, those with outstanding fines will be allowed to check out materials and use computers.

“Our goal is to simplify the process, so that everyone will have access to library services without a lot of hassle,” Albanese said. “Everyone is anxious to get back to normal, and we want to help.

The main Palm Coast Branch Library is located at 2500 Palm Coast Parkway NW, at the intersection of Belle Terre Parkway. The phone number is 386-446-6763.

The Bunnell Branch Library is located at 103 E. Moody Boulevard. The phone number is 386-437-7390.
