FOR IMMEDIATE RELEASE

Special needs applications update

September 7, 2017 – Residents with special needs will be able to register in person at the shelter when the time comes, if they have not already done so.

There is a printable form available at www.flaglercounty.org/special_needs. At this time, officials are asking residents not to sign up online at the Florida Special Needs Registry.

“Residents wishing to register for the special needs shelter may register in-person at the shelter unless transportation assistance to the shelter is necessary,” said Flagler County Public Safety Emergency Manager Steve Garten. “If transportation assistance is needed in order to get to the special needs shelter, residents should call 386-586-5111 to pre-register with a call taker and make arrangements.”

Flagler County has not yet opened emergency shelters, which are intended to serve as a last resort for those who are unable to otherwise evacuate the area.

Flagler Schools announced late Wednesday that all classes and activities are cancelled Friday in advance of the storm.

Though not opened at this time, shelters will be prepared at Rymfire Elementary – for special needs – and at Bunnell Elementary for residents with crated, domesticated pets and the general population.

Bunnell Elementary – General Population and Pets
305 N. Palmetto Street, Bunnell

Rymfire Elementary – Special Needs
1425 Rymfire Drive, Palm Coast
