Renner, Hansen town hall to address vacation rentals, dunes restoration

March 23, 2017 – State Representative Paul Renner and County Commissioner Greg Hansen wasted no time planning a Saturday town hall meeting to address two critical issues facing Hammock residents: short-term vacation rentals and beach restoration.

“There are so many of our residents who are concerned about whether we will continue to have local control or if there will be state preemption,” Hansen said. “Representative Renner and I spoke and decided it would be good for the two of us to have this town hall meeting following the two recent votes of the House and Senate in Tallahassee.”

The meeting will be held at 5:30 p.m. March 25 at the Hammock Community Center, 79 MalaCompra Road.

In addition to discussing short-term vacation rentals, Hansen and Renner will address the proposed plans and funding for beach restoration. The meeting is open to the public.
