## Commissioner O'Brien updates Rotary on projects

**May 5, 2017** – Commissioner Donald O'Brien addressed the Rotary Club of Flagler County during the regular luncheon meeting held at the Pine Lakes Golf Club.

He provided the members with an update of projects recently completed or still underway within Flagler County jurisdiction, as well as future projects such as the status of the dunes repairs.

"It is a good opportunity to get out and field questions from our residents," O'Brien said, noting under full-disclosure that he is a member of the club. "It was nice to make this presentation to a group of people I know, but that won't prevent me from meeting with other groups."

O'Brien has already made a commitment to meet with a Neighborhood Watch group within the district he serves – District 5.

"All of our commissioners are open to doing these types of updates," County Administrator Craig Coffey said. "Sometimes they are approached privately, but anyone interested in hosting a meeting like this can make arrangements through the Administration office.

The phone number for the Flagler County Board of County Commissioners Administration is 386-313-4001.
