**FOR IMMEDIATE RELEASE**

## County Road 13 roadwork begins, single-lane closures begin Monday

**May 2, 2017** – Crews have started roadwork to widen and resurface County Road 13 between U.S. 1 and County Road 205.

The work is scheduled to finish before September 28. There will be brief, single-lane closures to accommodate the work.

“It shouldn’t present too much of an inconvenience in the area, and we ask for your patience to keep the workers safe,” County Administrator Craig Coffey said. “In the long run, the upgrades to the roadway will benefit the residents of Espanola and those who use it to get to western Flagler County.”
