MalaCompra bike-trail loops reopen Friday

February 8, 2018 – The portions of the MalaCompra Greenway Trail that have been closed due to hazardous tree work will reopen on Friday, February 9.

“The contractor is finishing up the work today,” said Mike Lagasse, Land Management Coordinator.

Trail-blocking, heavy equipment was required to remove the trees from the loops which connect with the parking lot.

“This is good news,” said Parks Manager Frank Barbuti. “The bathrooms and parking lot had remained open during the work, but it’s nice for our bicyclists to be able to get back on the trails.”
