FOR IMMEDIATE RELEASE

MalaCompra bike-trail loops to close for hazardous tree work

February 1, 2018 – Portions of the MalaCompra Greenway Trail – specifically the multi-use trail between the beach parking and the hiking and biking trail loops – will be closed for up to one week beginning on Friday, February 2.

Staff will be removing hazardous trees for the protection and safety of its users on the loops which connects with the parking lot.

“There will be heavy equipment and personnel blocking the trail most of the daylight hours,” said Mike Lagasse, Land Management Coordinator. “We want to let bicyclists know the trails will be inaccessible while we are removing hazardous trees from the trail area.”

The restrooms and parking lot will remain open.
