FOR IMMEDIATE RELEASE

Skate park at Wadsworth closed this week for renovation

February 26, 2018 – The skate park portion of Wadsworth Park will be closed through Friday as it undergoes equipment replacement and restoration.

“The timing worked out well so this work will be completed in time for the kids’ Spring Break,” said Parks Manager Frank Barbuti. “Actually, we are making every effort to have all the work completed by this weekend.”

Three major ramps on the north end of the skate park will be replaced as part of the \$80,000 project, as well as some other smaller components – rails and features. Additionally, this portion of Wadsworth Park is being pressure washed and painted.

The remainder of Wadsworth Park – its sports fields and dog park – remain open.

“Staff is working very hard to get this work completed by the weekend,” said County Administrator Craig Coffey. “We appreciate everybody’s patience.”
