Renovation at Wadsworth skate park complete

March 6, 2018 – Renovations to the skate park portion of Wadsworth Park has been completed and is ready for skateboarders.

Three major ramps on the north end of the skate park were replaced as part of the \$80,000 project, as well as some rails and other smaller features. The remainder of the skate park was pressure washed and painted.

“We know it was inconvenient to have this portion of the park closed for the week,” said County Administrator Craig Coffey. “This park needed some upgrading and we are glad to have it completed.”
