Flagler County officials: Tell the TPO

May 11, 2018 – Flagler County officials are urging residents to “Tell the TPO” about the critical information it needs to know to make appropriate transportation planning and programming decisions for the area.

The River to Sea Transportation Planning Organization (TPO) is responsible for Metropolitan Planning Area that includes eastern Flagler County – Beverly Beach, Flagler Beach and portions of the cities of Bunnell and Palm Coast – and the entirety of Volusia County.

Residents can take the survey at www.TelltheTPO.com. The survey will remain open until June 30.

“This survey is conducted every two years,” said Flagler County Commissioner Nate McLaughlin, who also serves on the TPO Board of Directors. “These surveys give us insight about what the transportation priorities are for the community.”

The survey should take between 5 and 10 minutes to complete. As an incentive to participate, each person who completes the survey by the June 30 deadline can choose to be entered into a drawing to receive a 3-day, 2-night hotel stay for two.
