FOR IMMEDIATE RELEASE

Expect delays on SR A1A, Bay Drive in the Hammock

October 26, 2018 – Travelers who frequent State Road A1A north of Armand Beach to Bay Drive, as well as residents of Bay Drive should expect intermittent lane closures beginning Monday.

Work on Phase 1 of the North MalaCompra Basin Drainage Improvements are underway, and this portion of the project is the construction of a drainage outfall pipe system from the planned Bay Drive Park – immediately north of Sea Colony – out to, and under State Road A1A then south along the westerly side of the roadway, finally connecting to the Intracoastal Waterway immediately south of Washington Oaks Gardens State Park.

Flagmen will direct traffic safely through the lane closures.

“These temporary lane closures are necessary for workers to construct the water and storm drain crossings,” County Engineer Faith Alkhatib said. “We appreciate everyone’s patience while this work is being done.”
