Flagler County Chair Donald O'Brien elected to FAC Board of Directors

June 17, 2019 – Flagler County Commission Chair Donald O'Brien was elected to the Board of Directors of the Florida Association of Counties during the recent annual conference held in Orlando.

Directors are elected by district – similar to the way the Senate districts are established – so O'Brien was elected from among other local peers.

"I am honored to have been elected," O'Brien said, "especially from the strong group of commissioners and council members that we have in Volusia and Flagler."

O'Brien will serve for two years.

Internally, he serves on the Finance and Audit Committee. He will also serve on the Finance, Taxation, and Administration Policy Committee.

"One is board oversight," O'Brien said. "The other helps us determine our position on legislative matters."
