No injuries in Bunnell house fire, Red Cross assists 3 adults

April 30, 2019 – No one was injured Tuesday morning, but a quickly contained fire consumed a Bunnell home. Flagler County Fire Rescue called in the American Red Cross to address the needs of the three adults who had lived there.

“Engines 62 and 92 were on scene quickly and prevented the fire from spreading to other structures,” said Fire Chief Don Petito of the blaze that was reported about 8:15 a.m. at 506 E. Lambert Street. “We treated one person at the scene and released that individual shortly afterward.”

In addition to Flagler County Fire Rescue, Palm Coast and Flagler Beach fire departments responded, as did the Bunnell Police Department and the Flagler County Sheriff’s Office.

The fire was out by 8:38 a.m., but crews remained on the scene to “mop up” the remains. Flagler County Fire Marshal Jerry Smith is investigating the cause of the fire, which appears to have started on the front porch.
