FOR IMMEDIATE RELEASE

Aviation Drive road reconstruction at State Road 100 to begin January 6

December 30, 2019 – Reconstruction efforts for Aviation Drive immediately south of State Road 100 – the stoplight intersection by the high school with the northern segment named Bulldog Drive – will begin Monday, January 6.

Access to the Flagler Executive Airport, and other airport complex businesses, will be available from Airport Road – located to the west of the stoplight intersection.

The left turn lane from westbound State Road 100 will be closed. There is a turnaround about 1,400 feet west of the intersection. Eastbound traffic headed to the airport from State Road 100 will be required to turn before the stoplight onto Airport Road.

Lane closures and detours are anticipated for the duration of the construction, which should last about three months.
