FOR IMMEDIATE RELEASE

Commissioner Mullins named to national steering committee

February 7, 2019 – The National Association of Counties named Commissioner Joe Mullins to serve on its Telecommunications and Technology Policy Steering Committee.

“A great deal of NACo’s strength is in our committees and your active participation reflects and reinforces that strength,” NACo president Greg Cox wrote to Mullins about the nomination. “The expertise and engagement of our steering committee members is a main reason why Congress and federal agencies often look to NACo for feedback on legislative policy decisions being made in Washington D.C.”

As a member of the steering committee, Mullins is required to participate in monthly conference calls and attend NACo’s Legislative Conference and its Annual Conference. This year’s initiative is “Connecting the Unconnected: Counties Linking Residents to Services.”

“It is a great honor to be nominated to this important committee,” Mullins said. “I look forward to serving our local residents at the national level. We are trying to bring fiber to the area, which will attract high-paying jobs.”
