Good morning Mike,

Can you provide me with an estimate to remediate this location per the attached protocol provided by H2H Indoor Solutions. I have to meet with Sheriff Staley on Thursday afternoon to discuss this situation, so if there is any way you could have the estimate by tomorrow morning I would greatly appreciate it.

Thank you

Mike & Mike,

The protocol is attached. Servpro, please make note of the vestibule with a Magnahelic, tack pad, do not enter signs with zipper tape, either double NAM's or exhaust to above ceiling plenum, tight passing requirements for mycotoxins. If you have any questions please let me know.

If you have any questions please let me know. I will be out till next Tuesday but only a text away at 386-986-0710

Best Regards,

Rich
