Good evening team,

Here is an update on the Operations move:

County IT and General Services have worked very hard and the move-out is slightly ahead of schedule. All of ISD – Criminal Investigations Section was relocated today. Moves continue tomorrow as I had previously indicated just ahead of schedule. Again, please do not unhook any technology. County IT will be doing all electronic moves.

Once relocated to the Courthouse be sure to park in designated parking spots only. Do not park along the curb even if it's just for a few minutes. Your cooperation is greatly appreciated.

The building testing by ESI is still scheduled to begin on Thursday 6/14. The county has scheduled also radiological testing and that testing should occur toward the end of this week.

Because of the move I have **cancelled** the **General Staff meeting** that was scheduled for tomorrow (Tuesday 6/12).

Thank you for your continued cooperation as we make this massive move.
