Faith,

One thing that I forgot to mention was that Derrek and I a licensed by the state in Mold Assessment. Mold in Florida is regulate and only licensed professionals are allowed to investigate and provide opinions about mold in the course of doing business.

I also served as a Cooperative Research Programs Advisory Expert on Project Panel HM-06, 2007 – 2010, for The National Academies, Advisers to the Nation on Science, Engineering and Medicine, Transportation Research Safety Board.

Both of these items are listed on my CV.
