2. No Minutes.

3. Paddle Flagler – It was a huge success with 22 participants. They had informal discussions at each park about the history. Brief discussion about minor issues including John Dalton sick so Holly had to fill in and meet all participants at Longs Landing by 8:00 am. Carl, Tom Gillan and another participant who was experienced with this paddle led the group. Holly received email from a few stating they had a great time.

4. Float Update – Due to time crunch for main event we opted to back off on constructing the float to focus on main event.

5. Cheer at the Pier – Was a huge success! The Flagler Beach Historical Museum sold out. Virginia thanked the committee for the re-enactors and participating.

6. Golf Tournament – Yesterday three County Commissioner's participated and hit the 100 yard drive to open the event. The 100 foot putting contest sponsored by Thea Mathen had a winner who sunk the 100 foot putt.

7. Main Event – Set up for vendors is scheduled for Friday April 28, 2017 from 4-5pm. The vendors listed are as follows: Agricultural Museum, NAACP, Flagler County Historical Society, Flagler Beach Historical Museum, Palm Coast Historical Society, Friends of the Library, Daughters of the American Revolution, Flagler County Gun & Archery Club, Florida Hospital Flagler, Flagler County Supervisor of Elections, Heritage Crossroads, Flagler County Citizens on Patrol (C.O.Ps), Flagler County Veterans Office, and Flagler County Master Gardeners.

Carl mentioned that both the News Tribune and the Palm Coast Observer will have a special section this week.

8. Public Comments:

Burt Green produced a film on desegregation which will loop on a television in the lobby of the Government Services Building on the main event day. He asked about the proclamation that was discussed at a previous meeting and if it was going to be part of the main event. Carl indicated he thought that they were

going to have it at the Monday meeting of the County Commission but not at the main event. He would confirm later.

Tom Gillan – Met with Fourth of July Committee and discussed sand sculpture. As a result of music and need for power the sand sculpture would need to be re-located near the Northwest corner of Veterans Park.

Nancy Duke – Indicated that she would have 13 students to volunteer and wanted to know time and where to park. The committee agreed we wouldn't need them prior to 8:45 and that they could park at the Emergency Operations Center.

9. Other Committee Comments:

- a. Jason Wheeler– Working on verbiage for re-enactment for school board.
- b. Art Dycke – Wanted to know time for set-up. Holly reminded him that it was Friday at 4pm
- c. Robbie Creal – Flagler Beach meeting reminder for presenting pins.
- d. Thea Hein Mathen – Wanted more shirts without the decal.
- e. Sisco Deen – Wanted to know about paying John Stavely for the two re-enactments. Holly indicated that we are putting in the requisition now. It is late because we were waiting to hear about sponsors. Since we could only get half the money needed as a commitment but still had no money in hand we needed to go forward so he could be paid. We were waiting for Mr. Stavely to provide information needed to complete the form.
- f. Holly Albanese – Asked the committee for volunteers to work the Centennial table. The table will be manned as follows:
  - 10 am – Noon – Elaine Studnicki/Sisco Deen
  - Noon – 2:00 pm – Thea Hein Mathen/John Dalton
  - 2:00 pm – 3:00 pm – Thea Hein Mathen
