

# The Hunt is ON!

Celebrating  
100 years  
of History!

## Can you find the hidden potato?

Every month during 2017 we will hide one "look alike" potato somewhere in Flagler County. Each week during the month one hint will be provided on the Flagler County Centennial website and Flagler County Centennial Facebook page. The first person to find this potato and turn it in to a county employee before the end of the month will win a \$25.00 gift card.

# FIND THE HIDDEN POTATO

Employees of Flagler County, and their immediate families (spouse, parents, children, siblings) are not eligible.

And win a prize!
