2. Minutes from 6/6/2017 and 6/13/2017 approved.
3. 4th of July – Holly indicated we had 25 boxes of bubbles to put labels on and wanted to move next meeting to the library so entire committee could work on this project.
4. Sand Sculpture – Tent and sand will tentatively be delivered on Saturday. Holly will order the sand and make arrangements. The sculptor will start on Sunday July 2, 2017.
5. Creature from the Black Lagoon Screening – County Attorney gave a presentation on how the negotiations with Riccou Browning were going. Mr. Hadeed had many thoughts on how we could really make this special including creating a hype about the “Monster Returns to Marineland”. The day would begin in Marineland with a morning breakfast at the Marineland conference room with media and county leaders. Then have Kurt Allen from Marineland provide Riccou Browning with a tour of Marineland with the day ending at the library with a special screening and a display of movie artifacts. If it could be worked out due to licensing and cost issues we would also hold an evening screening back in Marineland at Lohman Auditorium with a reception.

We ended the discussion with estimated cost for this event and if we were to do this we would need extra advertising and possibly a proclamation naming it Riccou Browning Day in Flagler County.

6. Other ideas included Founder’s Day in Palm Coast, Festival of Trees with founding families and another Paddle Flagler this time at Bulow.

7. Public Comments:

Dave Bowers from the Photography Club would like to participate in the Centennial with Flagler in images to be included in the Time Capsule. Members would provide photos that would be 5 x 7 and limited to no more than 24 total pieces.

Jerusha Logan mentioned that she had found a long time resident of Flagler County that was 95 years old to ride the float. She is working on details.

8. Other Committee Comments: None

9. The next meeting of the Centennial Committee is scheduled for June 27, 2017 at 1:30 p.m. at the Flagler County Public Library Doug Cisney Room.

10. Adjournment 2:57 p.m.
