2. No minutes – Holly will provide for next week.
3. T-Shirts – Ordering more and still awaiting invoice from last black t-shirt order. Again discussed sizes and order.
4. Pins – Holly reported there are 196 pins remaining and approximately 110 constitutional employees leaving around 86 pins to distribute to City Councils and others as appropriate.
5. Float – Meeting to work on float was cancelled due to weather but Holly had Carl bring the book portion to her home. Holly will work on painting it to look like the book by Jack Clegg, "The History of Flagler County. When we meet next she expects it to be completed.
6. Vendor Discussion- we are receiving many requests from local non-profits, clubs other organizations to participate. Committee decided to allow on a first come first served basis non-profits only until we run out of space. We need to meet and determine how many tables and where we can put them that day so we know what the cut off will be.
7. Reminder about Cracker Day and the County Fair. They are coming up quick and will need everyone to volunteer. Will sell t-shirts/hats and provide brochures/flyers.
8. Vendor set-up – So far we have all Historical societies, Flagler Beach Museum, Friends of the Library, Florida Hospital Flagler (health checks), DAR, and NAACP. More to follow. It was decided vendor directions/guidelines would be needed. Carl will draft for next meeting.
9. Public Comments:  
  
Tom Gillian – Mentioned that everything will be taking place on 4<sup>th</sup> of July with the parade in the morning and fireworks at night. He has a 14 foot replica of the pier that we might be able to use on the float. When we are ready to put the float all together he will bring.

Anthony Flores – member of SCORE Volusia/Flagler – It is a non-profit association Senior Core of Retired Executives. He heard about us and wanted to come and learn and report back. Suggested we include the VA for military re-enactors. Carl will contact Veterans Services Office and get more information.

10. Other Committee Comments:

a. Carl Landrie -Corvette Club has about 27 members coming to the event for the car show. Also mentioned meeting with Flagler Beach on fireworks for 4<sup>th</sup> of July. Reported that Santore (fireworks distributor) will erect 2 big banners with the “100” and light them so all will be able to see.

b. Bob Weber – reminded the committee that April 4<sup>th</sup> is the walk through with the Sheriff’s Department for traffic control.

c. John Dalton – looking good for the April 22, 2017 Paddle Flagler. We already have 8 registered to paddle.
