3. T-Shirts/hats/pins – Committee agreed to purchase 30 more black in various sizes and since we had plenty of the other t-shirts but need larger sizes. Committee agreed to purchase a small quantity of 2x and 3x sizes. We have 196 pins remaining. These will be distributed to constitutional employees as well as city council members.
4. Float – Decided to meet on Sunday March 12th at 1pm to work on painting. Holly will bring paint and supplies.
5. Cracker Day / County Fair – Cracker Day is March 25th and County Fair is April 4-9th. We need volunteers to work so that we can sell t-shirts/hats and hand out brochures and other flyers. Carl, Holly and Rob will work Cracker Day. We need to schedule for County Fair.
6. Vendor Discussion- we are receiving many requests from local non-profits, clubs other organizations to participate. Committee decided to allow on a first come first served basis non-profits only until we run out of space. We need to meet and determine how many tables and where we can put them that day so we know what the cut off will be.
7. Paddle Flagler update – The event was very successful. We had eight local residents participating plus three committee members.
8. Find the Hidden Potato – It has been hidden for the month of March. 1st clue given to Carl Landrie to announce on WNZF and will be emailed to Cindy Dalecki for Facebook page.
9. Public Comments:

Amy Fulmer – discussion on school groups (bands and other musical groups). Ms. Fulmer has created a schedule of the following: Elementary and high school vocal groups from 10-12 with 20 minutes each. Then set-up for bands until 12:20. Bands will begin at 12:30pm until 2pm. We will need risers, sound system,

playback device and 4-6 microphones. Amy mentioned that it is the 50th anniversary of the Beatles song "All you need is love" so they may use this as part of the selections. After discussion it was agreed County will provide sound system and microphones and school will get the rest.

Amy also asked if it would be possible for someone to come and speak to her students about the event and the history. Both Carl and Sisco made arrangements to visit and speak.

10. Other Committee Comments:
