The meeting was called to order at 09:34AM, by Jim Caggiano.

This was followed by the Pledge of Allegiance.

Minutes of the July 2017 meeting were reviewed and approved unanimously.

There was no old business.

Under new business the Century Ambulance COPCN renewal request was discussed. Mary Radcliff, RN reported that FHF was satisfied with the service from Century Ambulance. The only reported issues have involved the need for prior approval for transport of Medicaid patients. It is believed that this issue is not specific to Century. There being no other comments or concerns, a motion was made and seconded that the renewal request be recommended for approval to the BOCC.. The motion was unanimously approved. A brief discussion regarding the American Ambulance Service who also has a COPCN was tabled.

The meeting was adjourned at 0939 AM

Respectfully Submitted
