

**LAND ACQUISITION COMMITTEE  
PROJECTS RANKING DECEMBER 12, 2011**

**PROPERTIES PLACED ON THE "A" LIST**

"A" Listed Property Description	INDIVIDUAL PROPERTY RANKING							Total Points	FINAL RANKING
	Mike	Anne	Ann	Richard	Brynn	Thea	Jane		
<p><b><u>Townsend Tracts – 4 Parcels</u></b>            +/- 5,471 acres – Application submitted by SJRWMD – there are 4 parcels all located in southwest Flagler County – <b><u>Lake Disston Tract</u></b>, Prairie Tract, Haw Creek Tract and Dead Lake Tract – Probable 79% wetlands – All tracts are currently vacant and have silviculture production – they are encumbered by a Plum Creek Timber Company lease terminating on 1/29/23 – potential partnership with SJRWMD – Each Parcel will be evaluated individually</p>	/	/	/	/	/	/	/	/	/
<p><b>Townsend Tract Lake Disston Parcel – 2,678 Acres</b></p>	<b>1</b>	<b>1</b>	<b>1</b>	<b>1</b>	<b>2</b>	<b>2</b>	<b>2</b>	<b>10</b>	<b>1</b>
<p><b><u>Pringle Creek Forest a/k/a Rayonier Timberlands</u></b>            +/- 8,432 acres (38% Wetland)– Application submitted by SJRWMD - Property consists of 3 parcels located in northeast Flagler County located west of I-95 and US 1, south of Pellicer Creek Conservation Area and north of SR 20 – purchase would provide protection for Pringle Swamp that provides sheetflow and water storage for storm events. This large wetland is the headwaters for Pringle Branch that flows directly into the Pellicer Creek Aquatic Preserve - Northeast corner is adjacent to Guana Tolomato Matanzas National Estuarine Research Reserve and Faver-Dykes State Park – establishes wildlife corridors and would provide a critical linkage to Florida Ecological Greenways Network.</p>	<b>2</b>	<b>2</b>	<b>4</b>	<b>6</b>	<b>1</b>	<b>1</b>	<b>1</b>	<b>17</b>	<b>2</b>
