ATTENTION TEENS (12 – 16)

The Teen Summer Reading Adventure (SRA) begins on Monday, June 5, and will conclude on Monday, July 31. Participants must be of middle or high school age (12-16). All younger youths are encouraged to enroll in the Children's Summer Reading Program.

Teens may register early with Ms. Sharon, Young Adult Coordinator, for this fun adventure or by attending the first SRA Gathering on Monday, June 5, at 1 P.M. Early enrollment will also be accepted by sending an early email of interest to sfiske@flaglercounty.org

Many fun activities/projects are being scheduled throughout the Summer as part of the Teen SRA. Be sure to check the posters or pick up a flyer located in one of the slotted stands on top of the short book stack across from the Research/I.T. desk. Information is also posted on the easel located in the Main Lobby and "The Teen Spot" section of the Library website (www.flaglerlibrary.org).

The SRA Kick-off will take place on Saturday, June 10, with a performance by "Jiggleman" at 10 A.M. followed by a movie matinee at 1:30 P.M. Everyone is welcome to attend these events (no carriages or strollers, please).

There will be a special end-of-summer reading celebration on Saturday, August 5. More information to follow.
